

Extra-Curricular Activities at Richard Hale School 2017-2018

Please note that the times given below should be regarded only as a guide. Times may have to be altered temporarily or permanently during the year in order to avoid clashes with other activities; sports cup ties, invitations to musical events, staff absence etc., are unpredictable. Students will always be given as much notice as possible via the Daily Bulletin or by whatever means the department usually employs. It is up to the participants to be aware of this and to keep themselves informed.
