

## **STATEMENT FROM IAN HAWKINS – HEADTEACHER**

“Congratulations to all the students who have completed their Post 16 exams this summer. They have achieved excellent results.

As a school we are delighted with the outcomes and believe these reflect the hard work of the students over the last two years and in the lead up to the exams. We have had a large number of students achieve the highest grades and it has been a pleasure to see the students achieve their places at University, including many at Russell Group Universities, or secure high level apprenticeships after receiving their grades this morning.

A full breakdown of the results will be published on our website in September.

We are very proud of every student and wish them luck in the future.”
