

400 YEARS OF EXCELLENCE

## **Richard Hale School**

**Hale Road, Hertford, SG13 8EN**  
**Tel: 01992 583441 Fax: 01992 503413**

### **Aspiring teachers wishing to train in the following subjects required for September 2019: Biology, Chemistry, Physics, English, Maths, Computer Science**

Under the School Direct Training Programme (salaried), Richard Hale School is recruiting to train teachers in each of the above subjects, starting in September 2019. Successful applicants will be appointed initially for a training year, at the end of which, if successful, they will attain Qualified Teacher Status. Trainees are salaried by the school throughout their training.

Applications must be through the UCAS website (<https://www.ucas.com/ucas/teacher-training>) where further details of the programme can be found. As well as completing the UCAS application form, applicants should also send a CV and covering letter to [pca@richardhale.co.uk](mailto:pca@richardhale.co.uk)

Applicants should have an undergraduate degree (2:2 or higher) in the subject they intend to teach, or a closely linked subject. Prior to interview, applicants will be invited to meet staff within the relevant department and the ITT coordinator; this will be an opportunity to observe some teaching and 'get a feel' for the school. Applicants are expected to have registered and booked the Teaching Agency Professional Skills Tests for teachers before the interview date. These must be passed before the start of the training programme.

Richard Hale is a very successful 11-18 boys' school which has an impressive reputation for academic achievement as well as an excellent extra-curricular programme in sport, music, drama and art. Richard Hale has a proven track record in successfully delivering teacher training with an excellent retention rate. We are committed to the safeguarding of children and child protection screening will apply to this post.

If you want to train in an exciting learning environment and are able to demonstrate the energy, resilience and commitment necessary to become a successful teacher, we would like to hear from you.

For further information, to arrange an informal visit to the school or to arrange observation experience prior to making an application, please contact Philip Camm (ITT coordinator) via [pca@richardhale.co.uk](mailto:pca@richardhale.co.uk)
