2020/2021 Residential Trips

In order to help parents to try to plan their finances, the following list contains the planned residential trips for the next academic year. In addition to this, a number of day trips and conferences will be arranged which will tend to be aimed at Y11, 12 & 13 students.

We hope that all eligible students will be able to attend the curriculum trips whereas the enrichment trips are entirely optional. Please note that the list is subject to change and prices are estimates.

Due to COVID, a number of residential trips have been cancelled this year and we will not be running any day trips until further notice. All trips are subject to updated Government guidance.

Month	Year Group	Description	Destination	Approximate Cost	Type
February 2021	8/9/10	Junior Ski Trip	Italy	£1,030	Enrichment
