

Position held	Cowper House captain
What you are studying?	English literature, Product Design, Business studies
Why you are studying at Richard Hale?	I am studying at Richard Hale because I valued the learning experience I got in my previous years at Richard Hale and the wide roster of extra-curricular activities.
What your Senior Student position means to you?	My Senior Student position is a chance for me to help make school a fun and enjoyable place for the people in my house. It's a chance for me to make the most out of school in memory of a lost friend and it is a chance to achieve my own greatness, paving the way for my aspirations to come into fruition.
Why you applied for it?	I applied to make a difference, perhaps not quite a legacy but a lasting positive impact on this school and, more importantly, its students.
Why would you recommend people apply for a Senior Student position?	It is obviously a good experience you will be able to talk about but i think the best part so far has been meeting such a variety of people who have all been incredibly kind and have unique and wonderful skills that together make you feel proud to be in your house.
Any further comments about Richard Hale Sixth Form?	Sixth form is a great experience you don't want to miss out on. It's a chance to be free to really come into your own, push yourself and reach for the stars all while standing on your own two feet but with a wonderful set of staff who will always to help if you need it.
