| Position held | Croft Vice House Captain |
| What you are studying? | Psychology, History and English Literature A level |
| Why you are studying at Richard Hale? | I have stayed since year 7 and really saw no reason to leave - after thoroughly enjoying my time until year 11 I wanted to continue. |
| What your Senior Student position means to you? | Being a mentor and role model to the lower years, whilst also working in tandem with my House Captain towards success for croft. |
| Why you applied for it? | Being a Form rep for croft since year 7 and going to multiple school council meetings, and taking place in house activities, I wanted to take croft into another two years of victory under my personal leadership. |
| Why would you recommend people apply for a Senior Student position? | It gives younger years confidence to be able to confide with you any issues they have, also being seen as a role model helps me feel like I can give back to the school that has been so kind to me these last 7 years. |
| Any further comments about Richard Hale Sixth Form | If I can say anything, it would be to enrol in as many extra-curricular activities you can, the teams and communities are excellent, something I adore when playing for the Senior Rugby First XV. |
