

Position held	Deputy Head Girl
What you are studying?	Media A Level, BTEC sport
Why you are studying at Richard Hale?	Richard Hale is one of very few schools that offers the BTEC sport course, from this i have been able to use the course to my strengths as this is predominantly coursework based. I've been able to achieve both academically and experience real life situations in teaching due to my placement at Hollybush primary school.
What your Senior Student position means to you?	I am honoured to have been given the role of Deputy Head Girl. I feel from this position I can have a positive impact within the school community and can offer a different view to those who have grown up throughout the school. As a senior team we work well together bouncing ideas off one another which results in the best outcome due to many ideas being contributed.
Why you applied for it?	I applied for this role as I am a team player that is very vocal who brings a positive change that is the voice of others from within Richard Hale.
Why would you recommend people apply for a Senior Student position?	I believe this role is key to experiencing working in a team with others who you wouldn't usually work with. This has helped me develop my mind set as my peers within the team have a different view to me yet we work well together. This is a great reflection of the real working work as you will need to learn to work with others in the most effective way possible.
Any further comments about Richard Hale Sixth Form	Richard Hale school has really helped me develop and mature in my step up to 6th form. Having a fresh start with new teachers and peers I have pushed myself to achieve and become the best version of myself possible.
