

Position held	Head Girl
What you are studying?	History, English and Media Studies
Why you are studying at Richard Hale?	I really wanted to study media which was available for me at Richard Hale and I loved the welcoming I received on arrival. I felt I needed a change from my previous school and also wanted a challenge to further my self-development.
What your Senior Student position means to you?	My position as Head Girl means that I can inspire new students to take any opportunity that comes their way and has allowed me to develop leadership skills. I feel very thankful for this role and it is a tribute to how much Richard Hale has accepted me and allowed me to become more confident.
Why you applied for it?	I feel I have been dedicated and wanted to give back to the school as they have opened lots of new doors for me since being here. I wouldn't have applied for this role two years ago and the confidence I have gained recently at Richard Hale means a lot to me.
Why would you recommend people apply for a Senior Student position?	It gives you more responsibility within school and you are able to improve your leadership as well as teamwork skills. It's a real honour to be a senior student at Richard Hale and it is taken seriously.
