| Why you are studying at Richard Hale? | I thoroughly enjoyed my lower school education and knew from my first day that I would want to continue my studies at Sixth Form level. |
| What your Senior Student position means to you? | It means a lot as it was one of my first targets for myself when I joined the school as my house captain heavily inspired me. |
| Why you applied for it? | It's been an ambition of mine since year 7 and it gave me a chance to further my leadership skills. |
| Why would you recommend people apply for a Senior Student position? | It's a way to pay the school back and present how you have developed over the course of your education. |
| Any further comments about Richard Hale Sixth Form | If you put effort in and work well it is a very memorable and more than satisfying way to finish your mandatory education. |
