

Position held	Vice-captain of Page
What you are studying?	Economics, maths, geography
Why you are studying at Richard Hale?	Because I came here in Year 7 and had a very successful education whilst making great friendships and nearly always being happy, so it was a no brainer for me to return in Sixth Form.
What your Senior Student position means to you?	It means a lot to me as it allows me to directly influence the lives of many of the younger students in school, and allows me to try and implement any change that I feel would benefit both students and staff
Why you applied for it?	I applied for it for the same reasons I just stated above, and also to be able to leave a mark in Page's history as I feel the House system is such a powerful thing in school life, and from a young age the camaraderie you feel by competing in competitions with your friends for your House is unmatched by anything I have ever experienced, so I wanted to get further involved by applying .
Why would you recommend people apply for a Senior Student position?	Because not only does it look great on a UCAS application, it also allows you to directly help people and be a role model for many young and impressionable students, which I feel is a goal for many of the people attending Richard Hale Sixth Form.
