

Position held	Senior Prefect
What you are studying	Maths, Physics, Product Design, Rugby Academy
Why you are studying at Richard Hale	Thought it was the best place for me - offered a wide range of extra-curricular alongside extra studies with Rugby Academy in an area I am passionate about.
What your Senior Student position means to you	A role of responsibility and a part of the face of the school- a general good model student and I wish to continue to uphold this particular example with this role.
Why you applied for it	Looks good on CV and other personal statements when applying for internal and external events/ application processes etc. Makes you a bigger picture in the name of the school.
Why would you recommend people apply for a Senior Student position	Gives you something extra to do in school, makes your CV and personal statement look better.
Any further comments about Richard Hale Sixth Form	Best place for me personally according to what I wanted to study, generally quite local.
