

Position held	Vice-captain of Wallace
What you are studying?	Chemistry, English Literature and History
Why you are studying at Richard Hale?	I have studied since year 7 and can honestly say I didn't even consider any other place to pursue my post-16 studies. The extra-curricular activities in particular is something I couldn't go without, especially Saturday morning rugby fixtures. The relationships formed with many of the staff further motivated me to study as it drives me to work hard and makes lessons more enjoyable.
What your Senior Student position means to you?	It's a position I value highly and don't take lightly. I feel honoured and privileged to hold the position.
Why you applied for it?	From Year 7 I competed in every possible House event offered from the House bake off through to House rugby. This means I am dedicated to the House and it really means a lot for me to now be in a position of leadership within the house, in spite of Wallace's consistent losses over the years.
Why would you recommend people apply for a Senior Student position?	Taking around the new year 7s for the first few weeks allows you to give back to the school and form unique relationships. This guiding was special to me as I still remember the pair who took me from lesson to lesson in my first few weeks of school. They look up to you and every day I'll see a few of them. It further is a chance to have an impact and be in a meaningful and proactive position.
Any further comments about Richard Hale Sixth Form	It's a very connected and close network.
