

Results 2021

The Government are not compiling results in the same way for 2021 due to exams being cancelled as a result of the Pandemic. The results below are the grades that were awarded to students at Richard Hale. These were based on assessments set by teachers and were Quality Assured by the Exam Boards.

Grades	Percentage
A* - A	35%
A* - B	66%
A* - C	84%
A* - D	97%
A* - E	99%

Average Point Score per entry	39.56
Average Point Score per entry as a grade	B

BTEC

Average grade for BTEC qualifications:

Distinction/Distinction/Merit

Destinations:

University

Every student achieved their place at their first or second choice University. Students secured places at a wide range of institutions in a whole host of courses. Two students secured Oxbridge places to study Chemistry and History, while we also had students who have gone to study Medicine, Engineering along with a whole range of other subjects. A third of the students will be attending Russell Group Universities. Most importantly students have secured places at institutions that they feel will provide them with the qualifications and experience they desire. Congratulations to them all.

Apprenticeships

Several of our students have secured Higher Level Apprenticeships. These apprenticeships enable students to work and study at the same time to achieve a degree. This year we have had students secure apprenticeships at Pfizer, BMW, Deloitte and in roles such as quantity Surveyors.

Employment/other opportunities

Other students have secured employment, plan to take a year out or gain further experience. We know that they have the skills and qualifications to enable them to achieve their goals.
