

400 YEARS OF EXCELLENCE

Non-Examination Assessment Policy (NEA)

Policy approval date	October 2021
Policy review date	October 2022
Policy Lead	Ian Hawkins (Headteacher)
Governor or SLT approval	SLT
Governor committee responsible for policy	N/A

This policy is reviewed and updated annually to ensure that non-examination assessments at Richard Hale School are planned for and managed in accordance with current requirements and regulations. References in this policy to NEA refers to the JCQ publication Instructions for conducting examinations non-examination assessments.

Introduction

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking (NEA, section 1)

The regulator's definition of an examination is very narrow. In effect, any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (NEA, Foreword).

Purpose of the policy

The purpose of this policy is to confirm that Richard Hale School adheres to JCQ regulations relating to non-examination assessments by:

- covering procedures for planning and managing non-examination assessments
- defining staff roles and responsibilities with respect to non-examination assessments
- managing risks associated with non-examination assessments.

This policy covers all types of non-examination assessment. (NEA, section 1)
